

Sports Premium Grant expenditure Livingstone Road Junior School

The Government is providing funding of £150 million per annum to improve the physical education (PE) and sport in primary schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Funding for schools in the past has been calculated at approximately £8000 and reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census in January 2013. This year the Government has pledged to double the funding.

At Livingstone Road Infant School, this has provided additional funding as follows;

2014 – 2015	£9,059	2019 – 2020	£18,420
2015 – 2016	£9,037	2020 - 2021	£18,420
2016 – 2017	£8,998	2021 – 2022	£18,466
2017 – 2018	£18,740	2022 – 2023	£18,466
2018 – 2019	£18,740		

Purpose of funding

All young people should have the opportunity to live healthy and active lives. A positive experience of sport and physical activity at a young age can build a lifetime habit of participation, and is central to meeting the government's ambitions for a world-class education system.

Physical activity has numerous benefits for children and young people's physical health, as well as their mental wellbeing (increasing self-esteem and emotional wellbeing and lowering anxiety and depression), and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activity can also have wider benefits for pupils and schools, improving behaviour as well as enhancing academic achievement.

The PE and Sport Premium is given to schools so that they can make additional and sustainable improvements to the quality of the PE, physical activity and sport offered through their core budgets. It is allocated directly to schools so they have the flexibility to use it in the way that works best for their pupils. The PE and Sport Premium survey highlighted the significant impact which PE and Sport has had in many primary schools across England.

Summary of Sport Premium spending 2022-2023

Key indicators in spending Sport Premium:

- *The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles*
- *The profile of PE and sport being raised across the school as a tool for whole school improvement*
- *Increased confidence, knowledge and skills of all staff in teaching PE and sport*
- *Broader experience of a range of sports and activities offered to all pupils*
- *Increased participation in competitive sport*

Intended Outcomes:

- *Improve and embed physical activity during active playtimes*
 - *To target less active and less engaged children in active play through use of sports coaches*
 - *To offer more opportunities for children to take part in sports clubs*
 - *To raise the profile of PE across the federation*
 - *To improve PE teaching through improved curriculum, resourcing and improve knowledge and skills of staff*
 - *To enable greater amounts of intra school sport to occur – increase competitive sport*
- To monitor and offer CPD for a curriculum that builds on knowledge and skills from EYFS to Year 6*

Record of Sport Premium spending by item/project 2022-23

Item/project	Cost	Objective	Evidence of Impact
Purchase of team sports kits and kit for every child and staff PE T-Shirts	£6,225	<ul style="list-style-type: none"> • <i>Raise the profile of PE across the school</i> • <i>Reduce amount of children missing lessons due to not having correct clothing</i> • <i>Staff wearing PE t-shirts help children to see that staff also support PE and see the adult link to physical activity</i> 	<p>Attendance on year groups PE days have improved for those children who stated getting changed in school was a barrier.</p> <p>Pupil voice needed:</p> <p>“I prefer coming to school in PE kit as I don’t have to get changed”</p> <p>When asked if getting changed at school would be a barrier the focus group agreed that it would.</p>

			Staff have also been helping with the running of School Games event which has also raised the profile of PE across the infant school.
Sports coach (Foundation sports) to run lunch time focusing on children who don't engage in physical activity	£3,770	<ul style="list-style-type: none"> • <i>To target less active children in fun active playtimes</i> • <i>To engage children from their first day in school and embed physical activity into their everyday life through active playtimes</i> • <i>To engage children from an early age in different types of sports and allowing them the opportunity to find a physical activity they enjoy</i> 	<p>When children are engaged in play with the sports coach there are less behavioural incidents. Children are excited when the sports coach is in and it is their turn to play.</p> <p>Pupils said: "When we have a coach it is better as it is fairer" "We play different things but usually football, handball and dodgeball."</p>
Purchase resources to match the newly developed PE curriculum across the Federation	£2,072.92	<ul style="list-style-type: none"> • <i>To maintain levels of equipment and replace faulty equipment</i> • <i>Improve PE teaching through improved resourcing</i> • <i>To enable greater amounts of intra school sport to occur – increase competitive sport</i> • <i>To expose children to a broader range of sport and physical activity</i> 	This has allowed us to replace equipment that has perished from use to ensure children are using the correct equipment for the sport that they are playing.
Offer a wider range of exciting activities both within and outside the curriculum in order to get more pupils involved	£1575	<ul style="list-style-type: none"> • <i>To enable children to experience activities that they may not normally experience and also where they will develop skills through participation of Outdoor Adventurous Activities</i> • <i>To enable greater amounts of participation in different activities.</i> 	<p>Children were able to rock climb and cave whilst on school site – an opportunity many in our community would not be able to do.</p> <p>Pupil voice survey was very positive, especially in those who were less keen: "I overcame my fear of heights"</p>

			<p>“I was scared of the caving but I managed to do it with the help of my friends”</p> <p>“I was scared before but it was great!”</p> <p>“It was amazing!”</p> <p>Most children stated that they wanted to do this activity again.</p> <p>Most children stated that they showed resilience when taking part in OAA.</p>
Forest School	£2,201	<ul style="list-style-type: none"> • <i>Broader experience of a range of sports and activities offered to all pupils</i> • <i>Provide opportunities for children to experience a new experience where the focus is on self-worth and build resilience</i> 	Staff said that they saw improved attendance on days with Forest School – in some cases this was the same day as PE previously.
Land and wave contributions	£800	<ul style="list-style-type: none"> • <i>Time to create PE action plan, monitor the teaching of PE and offer CPD to teachers</i> • <i>Ensure action plan is being followed and evidence shows impact</i> 	<p>This allowed children from our year 6 cohort to attend a residential that included OAA activities that they otherwise, would not have been able to take part in.</p> <p>The children have stated that they would attend the trip again if it was offered.</p>
After school clubs	£1,222	<ul style="list-style-type: none"> • <i>Increased confidence, knowledge and skills of all staff in teaching PE and sport</i> 	These clubs have been fully booked since starting in January. This has meant more children being engaged in physical activity than before. Whilst also engaging some of the less active. The club has changed through the year so to attract a variety of children who are attending.

Total Sport Premium received	£18,466
Total Sport Premium expenditure	£18,420
Sport Premium remaining	-£46
