

Summer 1

We hope you had a lovely Easter Break.

Can you believe we are in the last term of EYFS?! It is flying by!

Reading

We have reassessed the children's phonic knowledge and regrouped the children. The books sent home in their reading folders will reflect this.

Please practise reading with the children at home as it really helps your child to make progress with confidence in class. We would also LOVE to be a class who wins the award on a Friday!!!

Writing

The children will now be aiming to write captions and simple sentences focussing on capital letters, finger spaces and full stops alongside letter formation. Please practice letter formation at home. If you need any help, please do not hesitate to contact your child's class teacher.

Maths

In maths this half term we are going to be working on:

Odds and evens, addition, subtraction and number bonds to 10.

When you are out and about with your child, can you talk about any numbers that you see and discuss if they are odd or even (e.g. house numbers).

Understanding the World

In Understanding the World we will be learning about all different 'superheroes'. This includes different people's jobs and their role in our community.

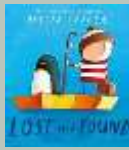

If you are able to come into school and chat to the children about your role we would be so grateful! We can fit in with your schedule to make dates and timings work. Please contact the school office or send us a message on ey-log if you are able to!

Key Texts

This half term we will be reading some wonderful books and thinking about our questioning and vocabulary in more detail.

If you can visit a library or you have any of these books at home, it would be really lovely to explore them with your child.

- ◇ **Lost and Found, Oliver Jeffers**
- ◇ **Elmer, David McKee**
- ◇ **Dogs Don't Do Ballet, Anna Kemp**
- ◇ **Only One You,**
- ◇ **The Highway Rat, Julia Donaldson**

Phonics

Using our whole school phonics scheme, Read Write Inc (RWI) we will continue the children's reading journeys.

Don't forget to read your child's reading book in their book bag. It matches their phonic knowledge and will really help them with learning in school. Don't forget to write in the yellow reading record **at least 3 times a week!**

A friendly reminder

Please can we leave any toys from home at home—we are seeing lots of disagreements happening and special toys being lost! Thank you.
