Summer 1 Overview Year 5

2023/24

Coasts

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Reading	Class novel immersion – Kensuke’s Kingdom	Recounts	Persuasive Texts	Class Novel Immersion – Why The Whales Came	Class Novel Focus – Why The Whales Came	
Writing	Kensuke’s Kingdom Recount Letter Reading example letters	Kensuke’s Kingdom Recount Letter Model Write	Kensuke’s Kingdom Recount Letter Independent Write	Kensuke’s Kingdom Persuasive writing Reading example letters	Kensuke’s Kingdom Persuasive Writing Model Write	Kensuke’s Kingdom Persuasive Writing Independent Write
Maths	Multiplication Multiply numbers up to four digits by a 1- or 2-digit number using a formal written method, including long multiplication for 2-digit numbers Solve problems involving	Shape Know angles are measured in degrees: estimate and compare acute, obtuse and reflex angles Draw given angles, and measure them in degrees (°)	Shape Identify angles at a point and 1 whole turn (total 360°) Identify: angles at a point and 1 whole turn (total 360°); angles at a point on a straight line and half a turn (total 180°)	Decimals Add and subtract whole numbers with more than four digits, including using formal written methods (columnar addition and subtraction)	Decimals Solve problems involving multiplication and division, including scaling by simple fractions and problems involving simple rates	Revision/recap week

	multiplication and division, including using their knowledge of factors and multiples, squares and cubes		Distinguish between regular and irregular polygons based on reasoning about equal sides and angles			
Science	Explain that unsupported objects fall towards the Earth because of the force of gravity acting between the Earth and the falling object	Identify the effects of air resistance and water resistance that act between moving surfaces	Identify the effects of air resistance and water resistance that act between moving surfaces	Identify the effect of friction that acts between moving surfaces.	Recognise that some mechanisms, including levers, pulleys and gears, allow a smaller force to have a greater effect.	Recognise that some mechanisms, including levers, pulleys and gears, allow a smaller force to have a greater effect.
RE	Humanists To know that Humanists do not believe in God.	Humanists To know that Humanists believe in living a good life and that you only get one life.	Humanists To know that Humanists celebrate special events with different ceremonies.	Humanists To know that Friedrich Immanuel Niethammer coined the term Humanism.	Humanists To find similarities and differences between Humanism and other religions.	
Art	Self select appropriate pencils to use.	Perspective in drawings, photographs and paintings.	Practice tessellation in the abstract form	Practice tessellation in the abstract form	Create abstract imagery using taught techniques to reflect personal experience and expression.	Create abstract imagery using taught techniques to reflect personal experience and expression.
Geography	. To know the position and	To locate geographical	To describe the location of	To know the physical processes which	To know the key aspects of the water	To describe the effects of human and

	significance (human geography) of the Jurassic Coast.	locations (using 4 and 6 figure grid references)	geographical features	create coastal features	cycle and how it effects erosion.	physical geography on the Jurassic coast.
PE	Striking and Fielding To know how to bowl overarm using a straight arm To use an effective method for catching To use an effective posture and grip when batting To know how to jump off the vault.	Striking and Fielding To know how to bowl overarm using a straight arm To use an effective method for catching To use an effective posture and grip when batting	Trip	Striking and Fielding To know how to bowl overarm using a straight arm To use an effective method for catching To use an effective posture and grip when batting	Striking and Fielding To know how to bowl overarm using a straight arm To use an effective method for catching To use an effective posture and grip when batting	Striking and Fielding To know how to bowl overarm using a straight arm To use an effective method for catching To use an effective posture and grip when batting
		To know how to jump over the vault.		To know how to complete a variety of rolls—forward roll from standing, straddle forward roll, pike forward roll	To know how to complete a variety of rolls—tucked backward roll	To know how to complete a variety of rolls—backward roll o straddle
RHE	Relationships To have an accurate picture of who I am as a person in terms of my characteristics and personal qualities	Relationships To understand how to stay safe, happy and healthy when using technology to communicate with my friends.		. Relationships To understand how to stay safe, happy and healthy when using technology to communicate with my friends.	Relationships To understand how it feels to be attracted to someone and what having a boyfriend/girlfriend might mean	

Computing	Know what a 'digital footprint' is and how to keep this safe.	Know that anything posted online can be seen, used and may affect others.	Know which sources on the internet are suitable to access and download from.	Know that child-friendly search engines can be used to find information.	Know that a search can be refined using key words.	Know that a search can be refined using key words.
